WORK EXPERIENCE

Software Engineer

Scale AI

08/2021 - 01/2023

Remote

Description

- I was dedicated to the development of the QA tool to facilitate data auditing. I started focused on the front-end, then worked as a full-stack developer until I was leading the tool team.

Front End Developer

Outside The Cube

02/2021 - 07/2021

Remote

Description

- I have been involved in the resolution of front end tasks in several projects of the company.

Full Stack Developer

Coderhood

07/2020 - 07/2021

Remote

Description

- I was in charge of the front-end tasks of two applications and participated in the development of their back-end.
